## **Synopsis book**

'This is the book I wished I'd had to turn to.' Gary Barlow Gary Barlow is one of the most successful British musicians and songwriters of all time, but fifteen years ago, as he himself admits, he hit rock bottom - he was out of shape, out of work, depressed. Food for him had become an addiction, a means not only of comfort but almost of self-medication as he grappled with the cruel twists of fate of musical stardom. In 2003, as he struggled with the disappointment of an underperforming solo career alongside the tireless media taunts; Gary turned to food. Relentlessly. In the space of nine years he had been on 20 diets in the hopes of a resolution to all his woes. After asking the doctor what the 'cure' for obesity was, it sunk in that he was the only one who could take control of his health. Gary describes this realisation and the task that lay ahead - 'it was like being at the foot of a massive mountain'. So how did he go from an obese, out-of-work and depressed pop icon, to a
