## **Synopsis book**

The ninja adventures continue with Narutos son, Boruto! Naruto was a young shinobi with an incorrigible knack for mischief. He achieved his dream to become the greatest ninja in his village, and now his face sits atop the Hokage monument. But this is not his story... A new generation of ninja is ready to take the stage, led by Naruto's own son, Boruto! Boruto has been entrusted with the very important mission of guarding the Daimyos son, Tendo. Babysitting a spoiled brat isn't the type of work Boruto had in mind when he became a ninja. But perhaps these two boys are more alike than they seem?
