Synopsis book

When Carmela wakes up on her birthday, her wish has already come true--she's finally old enough to join her big brother as he does the family errands. Together, they travel through their neighborhood, past the crowded bus stop, the fenced-off repair shop, and the panaderia, until they arrive at the Laundromat, where Carmela finds a lone dandelion growing in the pavement. But before she can blow its white fluff away, her brother tells her she has to make a wish. If only she can think of just the right wish to make . . .
