Synopsis book

NATIONAL BESTSELLER At the end of World War II, a band of aces gathered in the Mojave Desert on a Top Secret quest to break the sound barrier nicknamed "The Demon" by pilots. The true story of what happened in those skies has never been told. Speed. In 1947, it represented the difference between victory and annihilation. After Hiroshima, the ability to deliver a nuclear device to its target faster than one's enemy became the singular obsession of American war planners. And so, in the earliest days of the Cold War, a highly classified program was conducted on a desolate air base in California's Mojave Desert. Its aim: to push the envelope of flight to new frontiers. There gathered an extraordinary band of pilots, including Second World War aces Chuck Yeager and George Welch, who risked their lives flying experimental aircraft to reach Mach 1, the so-called sound barrier, which pilots called the demon. Shrouding the program in secrecy, the US military reluctantly revealed that the
