## **Synopsis book**

Christmas on the remote Scottish island of Mure is bleak, stark and incredibly beautiful. It's a time for hunkering down, getting cosy in front of whisky barrel wood fires, and enjoying a dram with the people you love unless, of course, you're accidentally pregnant to your ex-boss, and don't know how to tell him. In what should be the season of peace and goodwill on earth, will Joel think Flora is a bearer of glad tidings? Meanwhile Saif, the doctor and refugee from war-torn Syria is trying to enjoy his first western Christmas with his sons but without his missing wife. Can the little family possibly find comfort and joy? Travel to the beautiful northern edge of the world and join the welcoming community of Mure for an unforgettable Christmas.
