Synopsis book

"Full of tips and tricks on how to look at the world with a curious eye, its a brilliant way to breathe creativity (back) into our lives."- Flowmagazine"Crammed with practical ideas, inspirational images & creative exercises, Conscious Creativity leads the reader through the process of establishing what kind of creative you are..."Mslexia"The purpose of this book is to enable you to look at things in an alternative and more substantial way, so that you arrive at composition through genuine interest."Juno magazine"Philippa Stanton is passionate about people connecting to their innate creativity and has distilled these incredible techniques and ideas on how we can tap into that. Philippa is a massively successful Instagrammer at@5ftinfand yet she is only too aware how these little two dimensional squares can limit our experiences and restrict our creativity, so its not without a little irony that shes written a book to encourage people to step away from their screens and
