Synopsis book

"The cartoon hero of the workplace"--San Francisco Examiner
Dilbert is the cubicle-bound star of the most photocopied, pinned-up, downloaded, faxed, and e-mailed comic strip in the world. As fresh a look at the inanity of office life as it brought to the comics pages when it first appeared in 1989, this new Dilbert collection comically confirms to the working public that we all really know what's going on. Our devices might be more sophisticated, our software and apps might be more plentiful, but when it gets down to interactions between the worker bees and the clueless in-controls, discontent and sarcasm rule, as only Dilbert can proclaim.
