1477317198 ISBN-13 : 9781477317198

Synopsis book

Recipient of a 2017 MacArthur Foundation "genius grant," Dawoud Bey has created a body of photography that masterfully portrays the contemporary American experience on its own terms and in all of its diversity. Dawoud Bey: Seeing Deeply offers a forty-year retrospective of the celebrated photographer's work, from his early street photography in Harlem to his current images of Harlem gentrification. Photographs from all of Bey's major projects are presented in chronological sequence, allowing viewers to see how the collective body of portraits and recent landscapes create an unparalleled historical representation of various communities in the United States. Leading curators and critics--Sarah Lewis, Deborah Willis, David Travis, Hilton Als, Jacqueline Terrassa, Rebecca Walker, Maurice Berger, and Leigh Raiford--introduce each series of images. Revealing Bey as the natural heir of such renowned photographers as Roy DeCarava, Walker Evans, Gordon Parks, and James Van Der Zee, Dawoud Bey:
