Synopsis book

Devotion is short enough to devour at one enjoyable sitting and thought-provoking enough to deserve re-reading. Suzi Feay, Financial Times Devotion shows rather than tells what it means to give a life to writing. Katherine Cooper, Hyperallergic A work of creative brilliance may seem like magic its source a mystery, its impact unexpectedly stirring.

How does an artist accomplish such an achievement, connecting deeply with an audience never met? In this groundbreaking book, one of our cultures beloved artists offers a detailed account of her own creative process, inspirations, and unexpected connections. Patti Smith, a National Book Award-winning author, first presents an original and beautifully crafted tale of obsession a young skater who lives for her art, a possessive collector who ruthlessly seeks his prize, a relationship forged of need both craven and exalted. She then takes us on a second journey, exploring the sources of her story. We travel through the South of
