Synopsis book

From the creator and star of *Hamilton*, with beautiful illustrations by Jonny Sun, comes a book of affirmations to inspire readers at the beginning and end of each day. *Good morning. Do NOT get stuck in the comments section of life today. Make, do, create the things. Let others tussle it out. Vamos!* Before he inspired the world with *Hamilton* and was catapulted to international fame, Lin-Manuel Miranda was inspiring his Twitter followers with words of encouragement at the beginning and end of each day. He wrote these original sayings, aphorisms, and poetry for himself as much as for others. But as Miranda's audience grew, these messages took on a life on their own. Now, at the request of countless fans, Miranda has gathered the best of his daily greetings into a beautiful collection illustrated by acclaimed artist (and fellow Twitter favorite) Jonny Sun. Full of comfort and motivation, *Gmorning, Gnight!* is a touchstone for anyone looking for a lift.
