Synopsis book

Now updated with new material by #1 New York Times bestselling author and 2020 Democratic presidential candidate Marianne Williamson, the twentieth anniversary edition of *Healing the Soul of America* shares her timeless, visionary message of political healing. In the twentieth anniversary edition of *Healing the Soul of America*, Marianne Williamson reclaims her powerful voice for social conscience in American society. This is a time, according to Williamson, for Americans to return once again to our first principles, both politically and spiritually. Here, Williamson draws plans to transform the American political consciousness and encourage powerful citizen involvement to heal our society. With updated material throughout, Williamson explores the current state of American politics, reminding us of her theory of holistic politics—the convergence of political activists looking toward spiritual wisdom and spiritual contemplatives extending their service into the political landscape. She
