

A woman with dark hair, wearing a black long-sleeved shirt, blue jeans, and brown suede shoes, is sitting on a black wooden bench. She is smiling at the camera. To her left is a potted plant with green leaves. Behind her is a staircase with light-colored steps and a black metal railing with a diamond pattern. The background wall is white with horizontal lines. The floor is made of light-colored wood, and a patterned rug is visible in the foreground.

Synopsis book

In her design book, *Homebody: A Guide To Creating Spaces You Never Want to Leave*, Joanna Gaines walks you through how to create a home that reflects the personalities and stories of the people who live there. This comprehensive guide will help you assess your priorities and your instincts, as well as your likes and dislikes, with practical steps for navigating and embracing your authentic design style. Room by room, *Homebody* gives you an in-depth look at how these styles are iterated as well as how to blend the genres you're drawn to in order to create spaces that look and feel distinctly yours. In each chapter are practical takeaways to help problem solve potential pain points in your home. A fold out design guidebook at the back of the book offers a place for you to take notes and sketch out your own design plans as you make your way through the rooms. The insight shared in *Homebody* will instill in you the confidence to thoughtfully create spaces that you never want to leave.
