Synopsis book

Original tales by remarkable writers

Hometown Tales is a series of books pairing exciting new voices with some of the most talented and important writers at work today. Some of the tales are fiction and some are narrative non-fiction - they are all powerful, fascinating and moving, and aim to celebrate regional diversity and explore the meaning of home. In these pages on Glasgow, you'll find two unique memoirs. 'The Old Asylum in the Woods' is an intimate, intensely moving account of growing up in the shadow of Woodilee Hospital by author of *The Gracekeepers* and *The Gloaming*, Kirsty Logan. 'Glasgow Sang' is a deeply personal journey on foot through the city, from Kelvin Way Bridge to George Square to the statue of La Pasionaria, by Paul McQuade.
