ISBN-13 : 9781250086082

Synopsis book

Few sequels beat the original, but *How Hard Can It Be?* does so hands down. Kate Reddy's comeback as a pushing-50 "Returner, re-entering the workforce after a spell on the mommy track, is zesty, razor-sharp, and hilarious. With a robust absence of self-pity, she has defined the humiliating onset of "invisibility" that coincides with the onrushing pressures of parents, teenage kids, and a marriage gone flat, all while attempting to reinstate her perilous professional worth. Its full of such quotable casual profundity on the female condition I couldn't read it without a pencil to underline the abundance of great lines. Get ready for Kate!

Tina Brown Allison Pearson's brilliant debut novel, *I Don't Know How She Does It*, was a New York Times bestseller with four million copies sold around the world. Called "the definitive social comedy of working motherhood" (The Washington Post) and "a hysterical look?in both the laughing and crying senses of the world?at the life of Supermom" (The
