## **Synopsis book**

If the Internet could create its version of the perfect girl, Jeanne Damas would probably be her. . . . She's nailed that French girl *je ne sais quoi*. --Vogue A window on the world's most stylish city, with more than 100 full-color photos and profiles of 20 diverse and inspiring Parisian women, by the coolest, most beautiful French girl in France (GQ) and a former editor in chief of French Elle We've always been crazy in love with this city. . . . We love its arrogance, its clumsiness, its simplicity. And especially the women who live here. Two quintessential Parisian women--model and fashion designer Jeanne Damas and journalist Lauren Bastide--shine a spotlight on twenty real-life women of Paris, dispelling the myth that there's only one type of Parisian woman and introducing us to the city that real Parisiennes live in. They're booksellers, singers, writers, activists, and antique dealers; they live in small studios, spacious apartments, or houseboats; their ages range from fourteen
