

The background of the cover is a close-up, high-angle shot of numerous book spines. These spines are arranged in a circular pattern, with their edges pointing towards the center, creating a heart-like silhouette. The books have various colored spines, including red, yellow, and white, and their pages are visible at the edges.

## **Synopsis book**

The term lifelong reader is more than a slogan or jargon in a mission statement. Lifelong readers need passion, agency, and a sense of inquiry in their reading lives. They also need books. In *It's All About the Books*, Tammy Mulligan and Clare Landrigan share the systems they have developed over the last 15 years to create classroom libraries and book rooms that support both student choice and instructional goals. Getting started with designing and provisioning classroom libraries and bookrooms to support lifelong readers involves collaboration, planning, and some elbow grease! *It's All About the Books* is a practical yet detailed guide to creating a system where classroom libraries and bookrooms work seamlessly together to make it easy for teachers to find books to engage and scaffold all students in a school community. Each chapter includes photos, resources, book lists, and a step-by-step outline of the process so you can get started right away. From design, to inventory, to
