Synopsis book

A new cookbook/survival guide/love letter to Montreal for these apocalyptic times, from the James Beard Award-nominated culinary adventurers and proprietors of the beloved restaurant, Joe Beef. "The first Joe Beef cookbook changed forever what a cookbook could be. Anything that came after had to take it into account. Now, with this latest and even more magnificent beast, the rogue princes of Canadian cuisine and hospitality show us the way out of the numbing, post-apocalyptic restaurant Hell of pretentiousness and mediocrity that threatens to engulf us all. It makes us believe that the future is shiny, bright, beautiful, delicious--and probably Quebecois. This book will change your life." --Anthony Bourdain

It's the end of the world as we know it. Or not. Either way, you want Joe Beef: Surviving the Apocalypse in your bunker and/or kitchen. In their much-loved first cookbook, Frederic Morin, David McMillan, and Meredith Erickson introduced readers to the art of living the Joe Beef
