## **Synopsis book**

Juno Valentine's favorite shoes don't light up. They don't have wheels. They are, to be perfectly honest, the tiniest bit boring. But they're still her favorite muddy-puddle-jumping, everyday-is-an-adventure shoes. One day, when they go missing, Juno discovers something amazing: a magical room filled with every kind of shoe she could possibly imagine! Juno embarks on an epic journey through time and space, stepping into the shoes of female icons from Frida Kahlo and Cleopatra to Lady Gaga and Serena Williams. Each pair of shoes Juno tries brings a brand new adventure--and a step towards understanding that her very own shoes might be the best shoes of all. Parents and children alike will adore Instagram superstar Eva Chen's precocious debut picture book--a story that's equal parts fashion fairy-tale and guide to girl power--and fall in love with the brilliantly spirited Juno Valentine.
