Synopsis book

From Cecile Richards the president of Planned Parenthood, daughter of the late Governor Ann Richards, featured speaker at the Womens March on Washington, and the heroine of the resistance (Vogue) comes a story about learning to lead and make change, based on a lifetime of fighting for womens rights and social justice. Cecile Richards has been an activist since she was taken to the principals office in seventh grade for wearing an armband in protest of the Vietnam War. Richards had an extraordinary girlhood in ultra-conservative Texas, where her hell-raising parents her civil rights attorney father and political activist mother taught their kids to be troublemakers. In the Richards household, the dinner table was never for eating it was for sorting precinct lists. She watched her mother, Ann, transform herself from a housewife to a force in American politics who made a name for herself as the straight-talking, truth-telling governor of Texas. But Richards also witnessed the
