ISBN-13 : 9781601427588

Synopsis book

Raw, intimate, and timely, Nadia Bolz-Weber's latest book offers a full-blown overhaul of our harmful and antiquated ideas about sex, gender, and our bodies. Christians are obsessed with sex. But not in a good way. For generations countless people have suffered pain, guilt, and judgment as a result of this toxic fixation on sex, the body, and physical pleasure. In the follow-up to her celebrated New York Times bestseller *Accidental Saints*, Bolz-Weber unleashes her critical eye, her sharp pen, and her vulnerable but hopeful soul on the caustic, fear-riddled, and religiously inspired messages about sex that have fed our shame. In turn, Bolz-Weber offers no simple amendments or polite compromises, because the stakes are too high--and our souls and our bodies are worth too much. Instead, this tattooed, swearing, modern-day pastor calls for a new reformation. She urges us to take antiquated, sexist ideas about sex, gender, and our bodies and "burn them the f*ck down and start all
