Synopsis book

You want a piece of me?! I thought I'd seen the last of those dang monkeys, but now their evolved friends are here for payback! Getting past this howling mob is gonna take all the skills I've learned so far (and a few new ones).

If I can just make it past these guys, I'll finally be able to get back up to the middle level of the labyrinth--which has gotta be easier than down here, right? Wait...What do you mean it's on FIRE?!
