Synopsis book

With his trademark blend of political history, social science, economics, and pop culture, two-time NYT bestselling author, syndicated columnist, National Review senior editor, and American Enterprise Institute fellow Jonah Goldberg makes the timely case that America and other democracies are in peril as they lose the will to defend the values and institutions that sustain freedom and prosperity. Instead we are surrendering to populism, nationalism and other forms of tribalism. Only once in the last 250,000 years have humans stumbled upon a way to lift ourselves out of the endless cycle of poverty, hunger, and war that defines most of history in 18th century England when we accidentally discovered the miracle of liberal democratic capitalism. As Americans we are doubly blessed that those radical ideas were written into the Constitution, laying the groundwork for our uniquely prosperous society: Our rights come from God, not from the government. The government belongs to us; we do not

HOW THE REBIRTH OF TRIBALISM,
POPULISM, NATIONALISM, AND
IDENTITY POLITICS IS DESTROYING
AMERICAN DEMOCRACY

JONAH GOLDBERG

Bestselling author of *LIBERAL FASCISM*

With his trademark blend of political history, social science, economics, and pop culture, two-time NYT bestselling author, syndicated columnist, National Review senior editor, and American Enterprise Institute fellow Jonah Goldberg makes the timely case that America and other democracies are in peril as they lose the will to defend the values and institutions that sustain freedom and prosperity. Instead we are surrendering to populism, nationalism and other forms of tribalism. Only once in the last 250,000 years have humans stumbled upon a way to lift ourselves out of the endless cycle of poverty, hunger, and war that defines most of history? in 18th century England when we accidentally discovered the miracle of liberal democratic capitalism. As Americans we are doubly blessed that those radical ideas were written into the Constitution, laying the groundwork for our uniquely prosperous society: ? Our rights come from God, not from the government. ? The government belongs to us; we do not
