Synopsis book

Fortnite: Battle Royale has taken the world by storm, combining the high-octane action of traditional shooters with the creative construction elements of sandbox games like Minecraft. With 50 million players and counting, competition is fierce, and strategy is essential. Once you jump from the Battle Bus onto the island below, there can be only one goal: survival. The Big Book of Fortnite has all the tips and tricks you need to master the melee, whether you're playing on a console, PC, or your phone. Illustrated with dozens of full-color screenshots, find essential information on big-picture offensive and defensive tactics, best practices for building, and indispensable combat techniques. Learn all about uncovering loot, optimizing weapons use, exploring map locations, establishing fortresses, and completing challenges in solo, duo, or squad mode. This comprehensive guide is fully up to date and even includes features on top Twitch streamers and the many celebrities who are Fortnite
