Synopsis book

Much has happened in idyllic Ivy Hill in recent months, and while several villagers have found new love and purpose, questions remain--and a few dearly held dreams have yet to be fulfilled. Jane Bell is torn. Gabriel Locke is back and has made his intentions clear. But Jane is reluctant to give up her inn and destine another man to a childless marriage. Then someone she never expected to see again returns to Ivy Hill. . . . Mercy Grove has lost her school and is resigned to life as a spinster, especially as the man she admires seems out of reach. Should she uproot herself from Ivy Cottage to become a governess for a former pupil? Her decision will change more lives than her own. A secretive new dressmaker arrives in the village, but the ladies soon suspect she isn't who she claims to be. Will they oust the imposter, or help rescue her from a dangerous predicament? In the meantime, everyone expects Miss Brockwell to marry a titled gentleman, even though her heart is drawn to another.
