Synopsis book

The New York Time bestselling expose on the politicized federal bureaucracy that actively works to promote the Democrat agenda and undermine President Trump. The liberal media loves to characterize the Obama years as free of scandal. They pretend this is true because virtually every office in the executive branch worked to withhold evidence of wrongdoing, silence witness testimony, destroy federal records, classify embarrassing information, and retaliate against truth tellers. Yet these same tight-lipped lifers leaked like a sieve once President Trump was sworn in, freely promoting the illusion that everything he does is the new Watergate. Sometimes even conservatives portray the Deep State as nothing more than dumb inefficient bureaucracy. In fact, its the opposite; the Deep State is intentional, unconstitutional, and organized. In Deep State, Jason Chaffetz reveals an entrenched leadership within the civil service that resists exposure, accountability, and responsibility. At the
