The background of the book cover features a large, stylized hourglass. The top bulb of the hourglass is filled with a vibrant red sand, which is shown falling through the narrow neck into the bottom bulb. The hourglass is set against a teal-blue sky. In the upper left portion of the sky, several fighter jets are visible, flying in formation. The overall composition suggests a sense of urgency and the passage of time.

Synopsis book

Avoiding sensationalism and date-speculating, respected Bible teacher Amir Tsarfati uses his unique perspective as an Israeli Christian to lead you through a fascinating modern-day description of God's plan for the end of the world. Grounded from start to finish in Scripture, the book reveals how the Rapture, the imminent rise of the Antichrist, and the tragic horrors of the Great Tribulation will play out in our world today. He also helps you understand the roles--and fates--of Russia, Iran, Syria, Turkey, the European Union, the United States of America, and Israel in the end times, showing just how biblical prophecies are being fulfilled in our time. But above all, he offers hope that in the midst of chaos and horror, God is ultimately in control, and those who belong to him will be safe with him.
