# Synopsis book

Some women get everything. Some women get everything they deserve.

Amber Patterson is fed up. She's tired of being a nobody: a plain, invisible woman who blends into the background. She deserves more a life of money and power like the one blond-haired, blue-eyed goddess Daphne Parrish takes for granted. To everyone in the exclusive town of Bishops Harbor, Connecticut, Daphne a socialite and philanthropist and her real-estate mogul husband, Jackson, are a couple straight out of a fairy tale. Amber's envy could eat her alive . . . if she didn't have a plan. Amber uses Daphne's compassion and caring to insinuate herself into the family's life the first step in a meticulous scheme to undermine her. Before long, Amber is Daphne's closest confidante, traveling to Europe with the Parrishes and their lovely young daughters, and growing closer to Jackson. But a skeleton from her past may undermine everything that Amber has worked towards, and if it is discovered, her well-laid plan may fall
