Within weeks of 9/11, Lisa Luckett vowed that she would make something good come from the nightmare of the death of her husband and all the others in the devastating event that changed our world forever. With a warrior's will, Lisa reframed her pain into a fast track for personal growth and positive change for herself and for her young family. The Light in 9/11: Shocked by Kindness, Healed by Love is the story of her inspiring journey that came from having an open mind, perseverance, and a different perspective. What she discovered is how the power of kindness can make the world a better place. With three small children and a country brought to its knees with shock and horror, Lisa Luckett chose a different path to navigate the devastation and find answers in the chaos. With courage and fortitude, she leaned into the struggle and broke free of traditional rules to emerge from the wreckage into the light. For her, 9/11 became the catalyst to confront a lifetime of confusion. That
