Synopsis book

From MSNBC correspondent Steve Kornacki, a lively and sweeping history of the birth of political tribalism in the 1990s one that brings critical new understanding to our current political landscape from Clinton to Trump. In *The Red and the Blue*, cable news star and acclaimed journalist Steve Kornacki follows the twin paths of Bill Clinton and Newt Gingrich, two larger-than-life politicians who exploited the weakened structure of their respective parties to attain the highest offices. For Clinton, that meant contorting himself around the various factions of the Democratic party to win the presidency. Gingrich employed a scorched-earth strategy to upend the permanent Republican minority in the House, making him Speaker. The Clinton/Gingrich battles were bare-knuckled brawls that brought about massive policy shifts and high-stakes showdowns; their collisions had far-reaching political consequences. But the 90s were not just about them. Kornacki writes about Mario Cuomo's stubborn

Gingrich employed a scorched-earth strategy to upend the permanent Republican minority in the House, making him Speaker. The Clinton/Gingrich battles were bare-knuckled brawls that brought about massive policy shifts and high-stakes showdowns—their collisions had far-reaching political consequences. But the '90s were not just about them. Kornacki writes about Mario Cuomo's stubborn
