Synopsis book

"There are many types of love. But there is nothing like a sister." In a remote village surrounded by vast forests on the border of Moldova and Ukraine, sisters Liba and Laya have been raised on the honeyed scent of their Mami's babka and the low rumble of their Tati's prayers. But when a troupe of mysterious men arrives, Laya falls under their spell despite her mother's warning to be wary of strangers. And this is not the only danger lurking in the woods. As dark forces close in on their village, Liba and Laya discover a family secret passed down through generations. Faced with a magical heritage they never knew existed, the sisters realize the old fairy tales are true...and could save them all.
