Synopsis book

Beloved and bestselling author of Amish romance Kathleen Fuller reminds us that sometimes opposites really do attract. "A heartwarming story of unexpected romance woven with fun and engaging characters who come to life on every page."--Amy Clipston, bestselling author of *A Seat by the Hearth* If there is one thing Christian Ropp will not allow in his classroom or his life it is chaos. So why is he drawn to Ruby Glick, a woman who seems to bring mayhem wherever she goes? Christian Ropp moves to Birch Creek to accept a teaching position in the rapidly growing Amish community. He's determined to put the rambunctious school in order as well as check another task off his list: finding a wife. Of course, that would be much easier if women were like textbooks, straightforward and logical. When an accident puts Christian out of commission, a new community member named Ruby Glick takes over his classroom. But Ruby's exuberant teaching style clashes with Christian's careful methods and he worries
