Download EBOOKS The Teenage Slasher Movie Book: 2nd Revised and Expanded Edition [popular books] by J.A. Kerswell books random

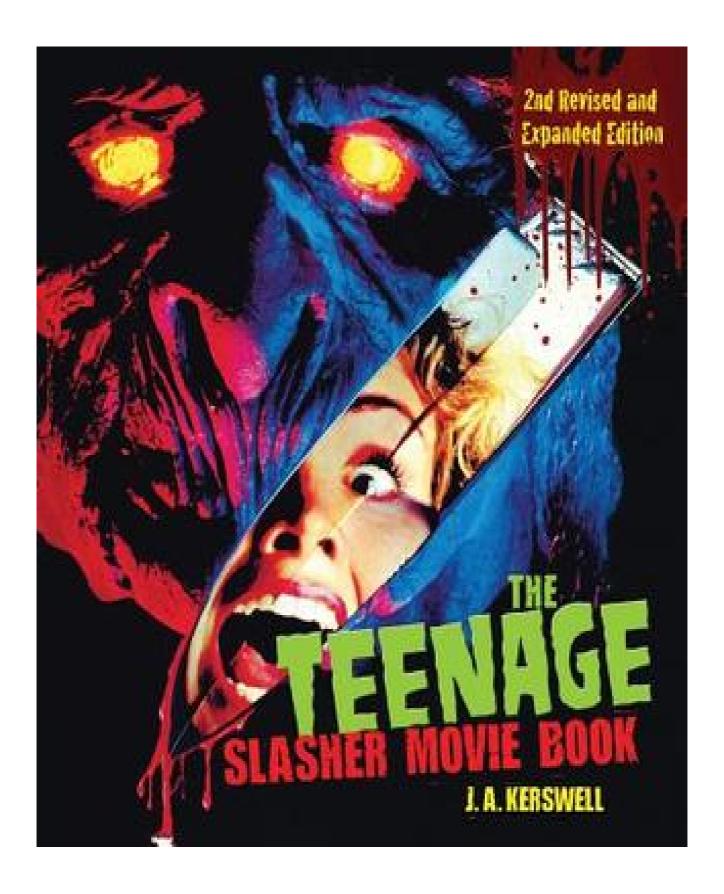

A detailed look at the surprising beginnings of the slasher movie - a genre that brought a new high in cinematic violence and suspense to mainstream cinema - this grisly guidebook revels in its glory days of the late 1970s and early 1980s and discusses its recent resurgence. Packed with reviews of the best (and worst) slasher movies and illustrated with an extensive collection of distinctive and often graphic color poster artwork from around the world, this book also looks at the political, cultural, and social influences on the slasher movie and its own effect on other film genres. A list of the top-10 body count films, trivia on famous actors who made their big-screen debuts in slasher films, a glossy of need-to-know terms, and lists of additional reading and websites to head to for additional macabre movies is also included.
