

A photograph of a man in a light blue shirt and dark pants standing in a doorway of a large industrial building, possibly a warehouse. The interior is dark, with the light from the doorway illuminating the man and the floor. The building has a corrugated metal door and a fire alarm pull station on the wall to the right of the doorway.

Synopsis book

From 2020 Democratic presidential candidate Andrew Yang, a captivating account of how "a skinny Asian kid from upstate" became a successful entrepreneur, only to find a new mission: calling attention to the urgent steps America must take, including Universal Basic Income, to stabilize our economy amid rapid technological change and automation. The shift toward automation is about to create a tsunami of unemployment. Not in the distant future now. One recent estimate predicts 45 million American workers will lose their jobs within the next twelve years jobs that won't be replaced. In a future marked by restlessness and chronic unemployment, what will happen to American society? In *The War on Normal People*, Andrew Yang paints a dire portrait of the American economy. Rapidly advancing technologies like artificial intelligence, robotics and automation software are making millions of Americans' livelihoods irrelevant. The consequences of these trends are already being felt across our

The background of the book cover is a photograph of a man standing in the doorway of a large industrial warehouse. The man is seen from behind, wearing a light blue shirt and dark trousers, with his arms slightly outstretched. The doorway is brightly lit, creating a strong contrast with the dark interior of the warehouse. The warehouse floor is polished and reflects the light from the doorway. The walls are made of concrete and metal, with various pipes and structural elements visible. The overall mood is one of hope and looking towards the future.
