Synopsis book

Some people collect stamps. Some people collect coins. Some people collect art. And Jerome? Jerome collected words . . . In this extraordinary new tale from Peter H. Reynolds, Jerome discovers the magic of the words all around him -- short and sweet words, two-syllable treats, and multisyllable words that sound like little songs. Words that connect, transform, and empower. From the creator of *The Dot* and *Happy Dreamer* comes a celebration of finding your own words -- and the impact you can have when you share them with the world.
