An aerial photograph of a forest fire. A large, billowing plume of white and grey smoke rises from a fire burning in a forest. The smoke is dense and reaches the top of the frame. Below the smoke, the forest is visible, with some trees appearing to be on fire or charred. The overall scene is dramatic and intense.

Synopsis book

The Twin Peaks 2019 Wall Calendar features images from the iconic show's three seasons. Since premiering in 1990, David Lynch's cult classic Twin Peaks has been acclaimed as one of the greatest television shows of all time. The series follows FBI Agent Dale Cooper (Kyle MacLachlan) as he investigates the shocking murder of homecoming queen Laura Palmer. While the suspenseful, enigmatic show only aired for two seasons, its eerie visuals, offbeat humor, and dream sequences have continued to captivate fans for decades. In 2017, Showtime's Twin Peaks: The Return picks up 25 years later, following Agent Cooper's surreal odyssey back to the town where it all began.
