HONOR'S FINISHING WHAT SHE STARTED The Solarian League's navy counts its superdreadnoughts by the thousands. Not even its own government knows how enormous its economy truly is. And for hundreds of years, the League has borne the banner of human civilization, been the ideal to which humanity aspires in its diaspora across the galaxy. But the bureaucrats known as the "Mandarins," who rule today's League, are not the men and women who founded it so long ago. They are corrupt, venal, accountable to no one . . . and they've decided the upstart Star Kingdom of Manticore must be destroyed. Honor Harrington has worn the Star Kingdom's uniform for half a century and served her monarch and her people well. In the course of those years, the woman the newsies call the Salamander has grown from a tactically brilliant but politically na?ve junior officer to supreme fleet command and a seat on the highest military and political councils of the Grand Alliance. Very few people know war the way Honor
