## **Synopsis book**

We all sit on the edge of a mystery. We have only known this life, so dying scares us and we are all dying. But what if dying were perfectly safe? What would it look like if you could approach dying with curiosity and love, in service of other beings? What if dying were the ultimate spiritual practice? Ram Dass and Mirabai Bush began their friendship more than four decades ago at the foot of their guru, Neem Karoli Baba, also known as Maharaj-ji. He transmitted to them a simple philosophy: love everyone, tell the truth, and give up attachment to material things. After impacting millions of people through the years with these teachings, they have reunited once more with *Walking Each Other Home* to enlighten and engage readers on the spiritual opportunities within the dying process. They generously share intimate personal experiences and timeless practices, told with courage, humor, and heart, gently exploring every aspect of this journey. And, at 86 years old, Ram Dass reminds us, "This
