Synopsis book

Bernard Cornwells epic story of the making of England continues in this eleventh installment in the bestselling Saxon Tales series "like Game of Thrones, but real" (The Observer) the basis of the hit Netflix television series The Last Kingdom. His blood is Saxon His heart is Viking His battleground is England "Perhaps the greatest writer of historical adventure novels today" (Washington Post), Bernard Cornwell has dazzled and entertained readers and critics with his page-turning bestsellers. Of all his protagonists, however, none is as beloved as Uhtred of Bebbanburg. And while Uhtred might have regained his family's fortress, it seems that a peaceful life is not to be as he is under threat from both an old enemy and a new foe. The old enemy comes from Wessex where a dynastic struggle will determine who will be the next king. And the new foe is Skill, a Norseman, whose ambition is to be King of Northumbria and who leads a frightening army of wolf-warriors, men who fight half-crazed in
