At thirty-eight and a quarter years old, Paris native Camille has everything she needs to be happy, or so it seems: a good job, a loving husband, a wonderful son. When Claude, a French Sean Connery look-alike and routinologist, offers his unique advice to help get her there, she seizes the opportunity with both hands. Camille's journey is full of surprising escapades, creative capers, and deep meaning, as she sets out to transform her life and realize her dreams one step at a time . . . A charming, feel-good, and universal story of one woman's journey from boredom and dissatisfaction to happiness and fulfillment--for fans of *Hector and The Search for Happiness*, *The*
